Roud o

1. Australia, Australia, I love you as well,
As dancing and waltzing down by the hotel,
As dancing and waltzing down by the salt sea,
Every man to his fancy, Australia for me.
2. Oh the girls in Australia, they are so polite,
They watch at their windows by day and by night,
To welcome the sailors when they come from sea,
Every man to his fancy, Australia for me.
3. Oh the girls in Australia, they would if they could
They'd fill up their castles with silver and gold
To keep all the sailors from going to sea
Every man to his fancy, Australia for me.
